

Ref. No. 56-3 as of 14.04.2023

INDEPENDENT AUDITOR'S REPORT

To: Founders and Management of Religious Mission CARITAS-SPES of Roman Catholic Church in Ukraine

Report on the Audit of Financial Statements

Qualified Opinion

We have audited the financial statements of the Religious Mission CARITAS-SPES of Roman Catholic Church in Ukraine (further - the Religious Mission), which comprise the Balance Sheet as at December 31, 2022 and Statement of Financial Results for the year then ended.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our Report, the accompanying financial statements of the Religious Mission are prepared, in all material respects, in accordance with the Ukrainian Accounting Standard No. 25 "Simplified Financial Reporting" and other UASs applicable to small companies, and meet the requirements of the Law of Ukraine "On Financial Accounting and Financial Reporting in Ukraine" as of 16.07.1999 No. 996-XIV (hereinafter - the Law of Ukraine No. 996-XIV) with regard to financial statements preparation.

Basis for Qualified Opinion

As far as we were appointed as auditors of the Religious Mission after December 2022, we did not observe the inventories' count as at the end of the year. Using alternative procedures, we were unable to confirm the balances of the inventories as at December 31, 2022, recorded in the Statement of Financial Position in the amount of 6 024 thousand UAH.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent from the Religious Mission in accordance with the International Federation of Accountants Code of Ethics (IESBA Code) and with the ethical requirements relating to audit of financial statements in Ukraine, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other issues

The mentioned financial statements have been prepared on the assumption that the Religious Mission is able to continue as a going concern. Since February 24, 2022, the impact of the ongoing military actions in Ukraine, the scale of their further development, timing of completion, and final resolution of the conflict are unpredictable. These conditions create material uncertainty regarding the Religious Mission's ability to continue as a going concern. UAS No. 25 does not require the disclosure of the Management's plans on these matters in the financial statements. When preparing the financial statements, the Management concluded that these conditions did not adversely affect the Religious Mission's activity and the going concern assumption is applicable. Our opinion was not modified on this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the Ukrainian Accounting Standards (UAS), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Religious Mission's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Religious Mission or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Religious Mission's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Religious Mission's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Religious Mission to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
